## *Professional Summary*

B.Tech Computer Science Engineering graduate with hands-on experience in software development and web technologies, along with basic knowledge of machine learning and blockchain applications. Proficient in Python, JavaScript, C, C++, React.js, Django, SQL, and Git, with a proven ability to deliver complex technical projects. Seeking to leverage software engineering skills to contribute to innovative IT solutions.

## *Technical Skills*

**Languages:** Python, JavaScript, C, C++

**Web Technologies:** HTML, CSS, React.js, Django

**Databases:** MySQL, SQLite

**Tools & Technologies:** Git, OpenCV, Solidity, MetaMask

## *Projects*

**Smart Hospital Management System** – Developed a web-based platform using Python, Django, HTML, and JavaScript to organize patient records and hospital operations.

**Handwritten Digit Recognition** – Implemented a machine learning model using Python and TensorFlow to recognize handwritten digits via image classification.

**Blockchain Crowdfunding Platform** – Built a decentralized crowdfunding application using React, Solidity, JavaScript, and MetaMask enabling transparent blockchain funding.

**Document Scanner Application** – Created a computer vision tool using Python and OpenCV that automatically detects document edges and generates scanned outputs.

**ATM Interface Simulation** – Designed a command-line ATM system using C demonstrating transaction logic such as withdrawals, deposits, and balance checks.

## *Education*

**Bachelor of Technology (B.Tech) – Computer Science Engineering**
Bhilai Institute of Technology, Durg | 2022 – 2026 | CGPA: 7.2

**Class 12 (HSC)** – **PCM**
Neeraj Public School, Rajnandgaon | 2021 | Percentage: 67.40%

**Class 10 (SSC)** –
Neeraj Public School, Rajnandgaon | 2019 | Percentage: 60.00%

## *Certifications*

- UI/UX Design Certification – CodSoft Training Program
- C++ Development Certification – OctaNet Training Program
- HACK2VIBE Participation Certificate – Institution's Innovation Council
- Cyber-Security Pledge Certificate – Ministry of Electronics and information technology
